

## **AQUARIUM PRODUCTION CENTRE**

### **Who and where we are**

We are part of KMFRI ENTERPRISES SERVICE, the business wing of the Kenya Marine and Fisheries Research Institute (KMFRI). We are located within KMFRI offices in Mombasa and in KMFRI Kisumu.

KMFRI Mombasa is in Mkomani English Point and KMFRI Kisumu is near the Kisumu Airport

### **What we make**

The Aquarium production centre makes all types of aquaria; some specified to customer needs. We make rectangular, round, small, large aquaria all as per customer demand.

The common sizes we make are small ones of **2ft by 1ft by 1ft**; medium size of **2.6ft by 1.3ft by 1.68ft** and larger sizes of **3ft by 1.58ft by 2ft**.

All our aquaria come complete with all accessories and a unique variety of ornamental fishes. We make special cabinets on which your aquarium will stand on request

### **Who are our clients?**

We make aquaria for your homes, shops, schools, hospitals, hotels and guest houses, offices, for exhibitions and all other institutions and establishments that may require

### **Our products and services**

Our product range are extremely diverse, catering for extensive range of custom built fish tanks, ornamental fish, fish food/feeds and offer an installation service regarding the setting up of a new aquarium and local support for cleaning and maintenance services of your tank.

### **What makes us special?**

Utilizing technological innovation and knowledge engineering we have become a comprehensive, cost effective and efficient manufacturing solution for high quality aquariums. We remain on the cutting edge by providing our esteemed customers with product quality and uniqueness while remaining flexible and responsive to their needs.

### **Why are we competitive?**

Our competitive edge is strategic positioning with our loyal customers. We have built a business based on long standing relationships with satisfied clients. By doing so, we have built defenses against competition. The longer the relationship stands, the more we help our clients understand what we offer and why they need it.

### **We are ahead in the market**

To be on the cutting edge, we have built a reputation for high quality and strong value in our products. We serve our customers just as if they were a part of our family.
